Remarks:					
<p>Hank Wieland, Executive Secretary of Sigma Delta Chi, called me this morning (14 October). He said the session went very well -- no snags at all. Said he noticed many people taking notes "furiously," and commented that from talking to the attendees, Hank felt that we would get quite a bit of publicity and that most of it, if not all, would be favorable. He said he talked to Saul Kohler of Newhouse publications who said he would start his piece with "Turn right at the third three." This was the instruction give at the Main Gate.</p>
